Online Conversation Classes 2024

Do you want to improve your **English conversation skills**? Do you have some time over the summer to dedicate to practising your English speaking? **Our online conversation classes are run over 4 weeks** and are classes of 1.5 hours, twice a week. In the classes, the teacher will introduce a variety of different conversation topics and will ensure that you get **plenty of useful practice of the language**.

As well as the classes, which will be conducted online, there is also **online material** which is available to each student for the duration the course. This material will give you extra language which will be useful in different speaking situations and will enable you to express yourself more clearly in English.

There are **different timetable options for the conversation classes**, which are limited to a maximum number of 10 students per class. **Classes are subject to availability and the demand for each time slot.**
